

Amendments under COVID-19
to
AFL Queensland State Junior Football
Rules & Regulations
2020

PURPOSE OF AMENDMENTS

Due to the restrictions, protocols and regulations introduced as a result of the novel coronavirus (COVID-19), the following Amendments to the AFL Queensland State Junior Football Rules and Regulations (AFLQSJFR&R) will apply for Season 2020. Where these Amendments vary from the AFL & AFL Queensland policies, and the AFL Queensland State Junior Football Rules and Regulations, these Amendments apply. On all matters where these Amendments are silent, the AFL and AFL Queensland rules, regulations and policies apply. Definitions used in these Amendments have the same meaning as given in the AFLQSJFR&R.

For the avoidance of doubt, these Amendments are effective immediately. (Initial Release).

SPIRIT OF JUNIOR FOOTBALL

Every participant understands that Football in Queensland is delivered to the Community with the Spirit of the Game in mind.

It is incumbent on every participant irrespective of their place in the game, to ensure that they will:

- (a) Not focus on winning at all costs and understand that the role of Footy4Fun & Youth Football is to foster the development of players, volunteers, umpires, coaches, and officials. Learning to win and lose is part of the developmental journey of a participant but must remain secondary to the primary focus of player development.
- (b) Maximise the enjoyment and development of Footy4Fun & Youth footballers.
- (c) Provide our children with a match environment that is safe, fun, and fair.
- (d) Ensure that the values which add to the spirit of our game, which include fairness, equality, respect, and teamwork are encouraged and celebrated.
- (e) Uphold, promote, and protect the Rules, Laws, Codes, Policies and Spirit of the game.
- (f) Not accept poor behaviours around our game and deter practices that undermine our match environments (coaching, playing, volunteering, spectating, and umpiring).
- (g) Adhere to any directive issued by the games controlling bodies in the best interests of achieving the above.
- (h) Coaches should adopt an athlete centred coaching philosophy.

AFLQ have created two sections within these Rules & Regulations, Permanent & Fluid Amendments

PERMANENT AMENDMENTS

Amendments will remain in force for Season 2020 and will not be subject to change.

FLUID AMENDMENTS

Amendments will remain in force for Season 2020 and may be subject to change dependent on easing of government restrictions and protocols.
